## SUMMARY

**Event Name:** FASTNEX 2024

**Event Type:** Exhibition & Conference

**Date:** 19 – 23 January 2024

**Venue:** Hall No.01, BIEC, Bengaluru, India

**Edition:** First

**Conference:** FASTNEX 2024 Conference

**Conference Date:** 21 January 2024

**Frequency:** Biennial

**Organised by:** Messe Stuttgart India

The inaugural edition of FASTNEX 2024 took place from January 19 - 23 in Bengaluru, serving as Messe Stuttgart's debut show in India. The event aimed to provide an engaging platform for everything about Fasteners and fixing & its allied sector industry.

The Inaugural edition of FASTNEX 2024 was organized which was supported by India's 2 big associations - FMAI (Fasteners Manufacturer Association of India) and FAI(Fasteners Association of India). The support from these associations provided a great pillar to the industry and created a synergistic platform for industry players.

# FASTNEX CONFERENCE

**THEME – Fastening the Future: Emerging Trends and Technologies in Industrial Fasteners Market**

The FASTNEX conference convened the major potential of the Indian fastener industry, focusing on new technology and techniques for global relevance. This conference delved into the industry's crucial role in shaping both Indian and global manufacturing landscapes with quality standards, showcasing the latest advancements and techniques & competitiveness. The objective was to showcase India's fastener manufacturing industry's pivotal influence on the global market, paving way for future growth potential.

# EXHIBITOR ANALYSIS

## Exhibitor Characterization:

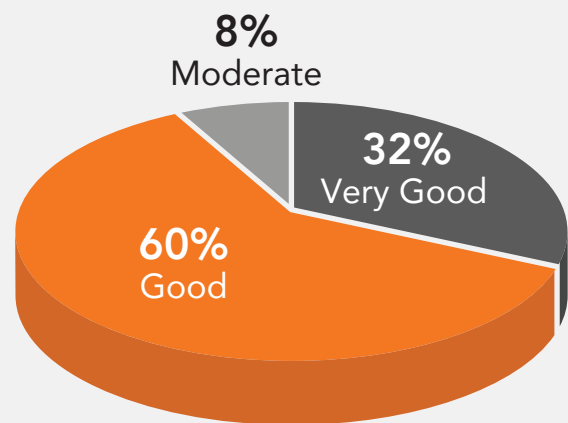

### Sectors Offering:

- Fasteners
- Fastener Manufacturing Technology
- Machinery and Equipment
- Industrial Fastenings & Fixing Solutions
- Industrial Fasteners
- Organisations, Publishers and Associations

## Exhibitor Perception:

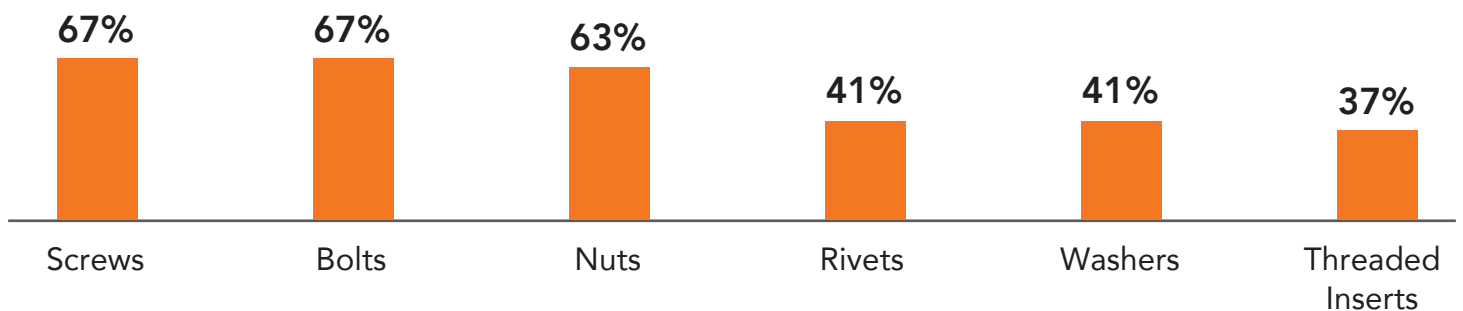

Expertise of the Trade Visitors

The Business success for Participation

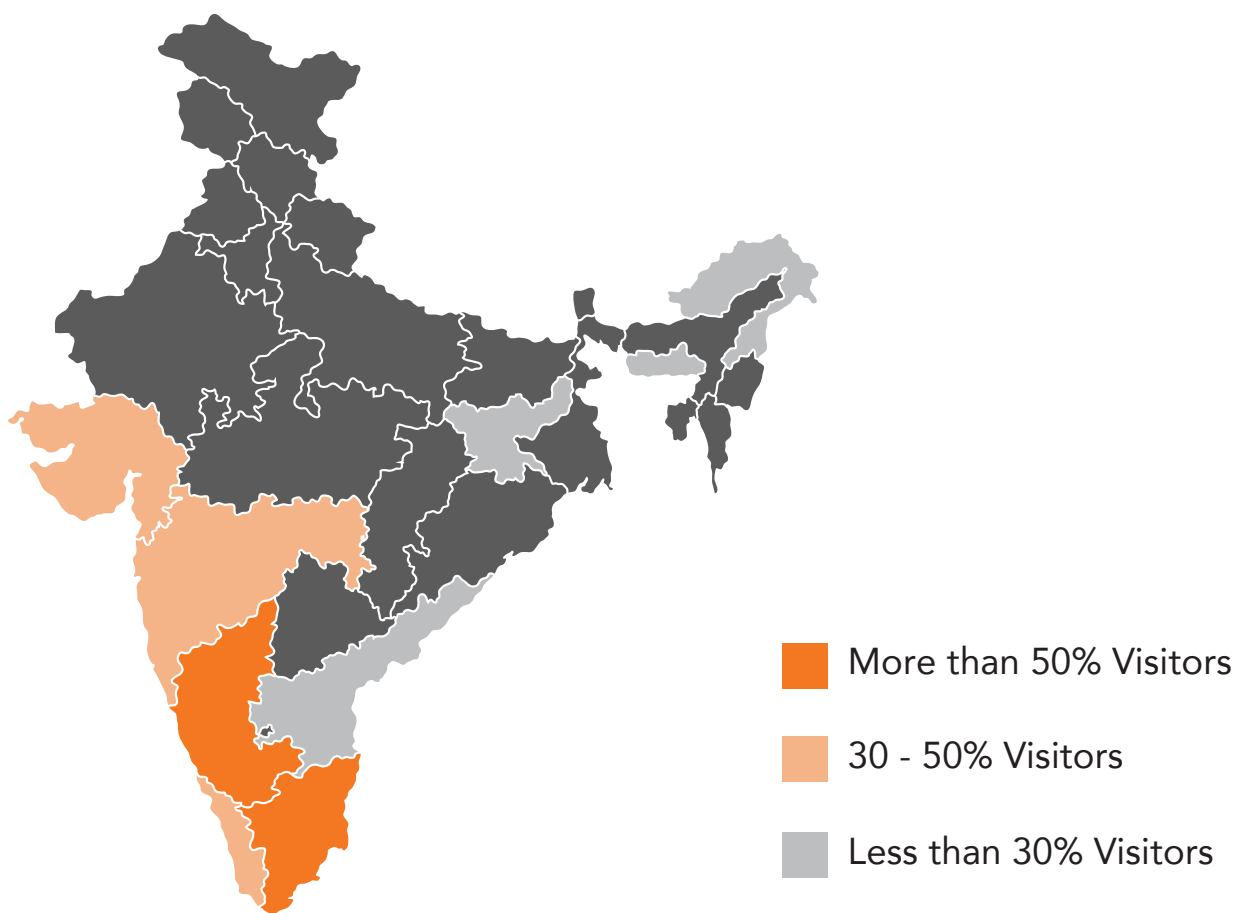

## Manufacturing processes offered by Exhibitors

# VISITOR ANALYSIS

Fastnex 2024, held from January 19 - 23 in Bengaluru, marked a significant gathering for everything about Fasteners and Fixing & its allied sector industry. Over five days, the event welcomed 4756 Visitors, facilitating business engagements for both exhibitors and attendees.

## OVERALL VISITOR FOOTFALL ACROSS THE COUNTRY

# 4756

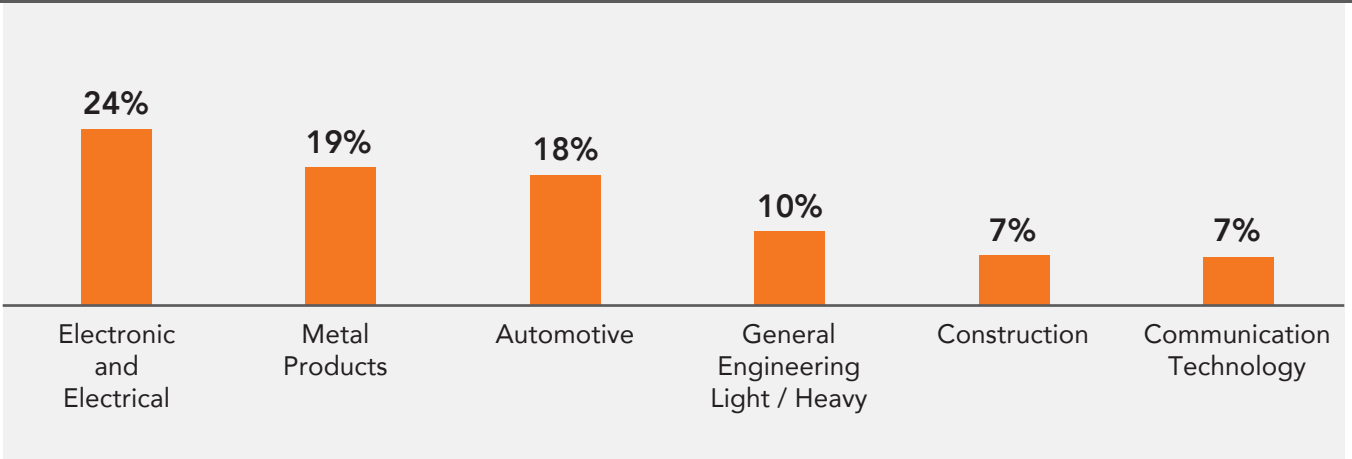

PEOPLE GRACED  
FASTNEX 2024

# VISITOR CHARACTERIZATION

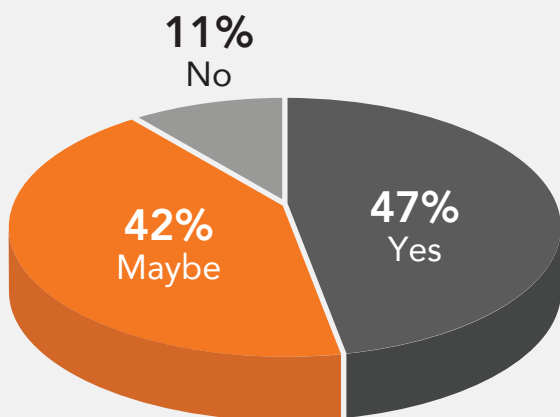

## Visitor Business's industry sector:

- Electronic and Electrical
- Metal Products
- Automotive
- General Engineering- Light/ Heavy
- Construction
- Communication Technology

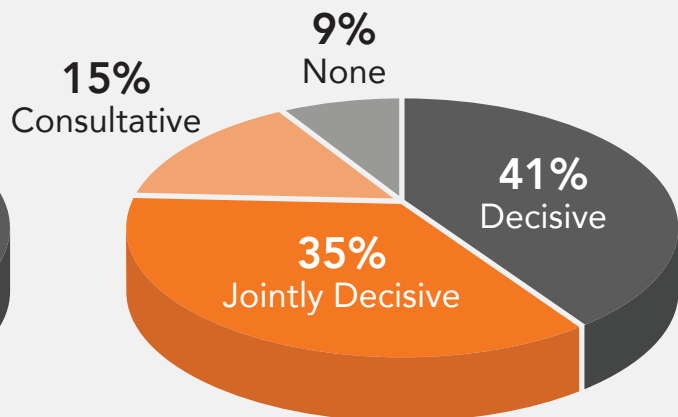

## Relevant Business Sectors

## Influencing Factor

Do you intend to place orders or invest

Influence on purchasing or procurement decision-making

# KEY HIGHLIGHTS

## Industry Focus:

Fastnex 2024 primarily focussed on businesses operating within the Fasteners & Fixing and its allied sectors. The event provided a comprehensive platform to showcase products with its series, innovative technologies and services within these domains.

## Co-location Advantage:

Being co-located with Moldex India and IMTEX forming 2024 proved to be win-win strategy, as it enhanced networking opportunities and enlarge scope of engagement for participants. The combined events attracted a diverse audience from related sectors, fostering cross-industry collaborations and knowledge exchange.

## Visitor Turnout:

The exhibition witnessed turnout of 4756 business visitors in attendance over the five-day period. This significant attendance has underscored event's relevance and attractiveness within the industry, encouraging levels of interest and acceptance among professionals.

## Business Opportunities:

Exhibitors and visitors alike benefited from the event, with many reporting successful business interactions, lead generation, and deal closures. The exhibition served as a conducive environment for forging partnerships, exploring market trends, and scouting potential suppliers or clients.

## Technology Display:

Fastnex 2024 showcased the latest technological advancements, including innovations in fasteners, fixing, and technical processes. Exhibitors presented cutting-edge industrial product & solutions, materials and machinery, reflecting industry's ongoing evolution towards efficiency, precision, and sustainability.

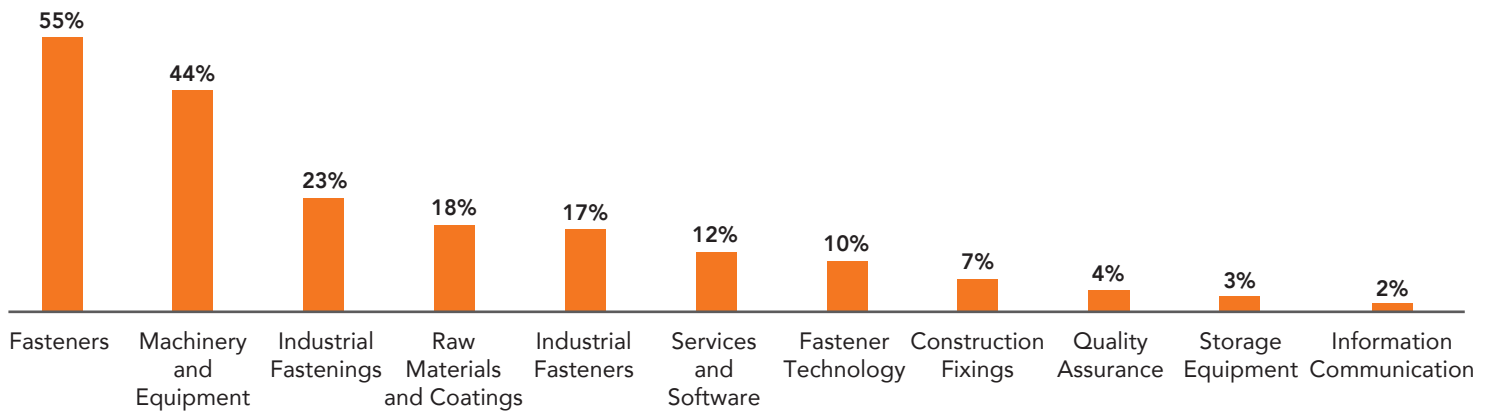

## Knowledge Sharing:

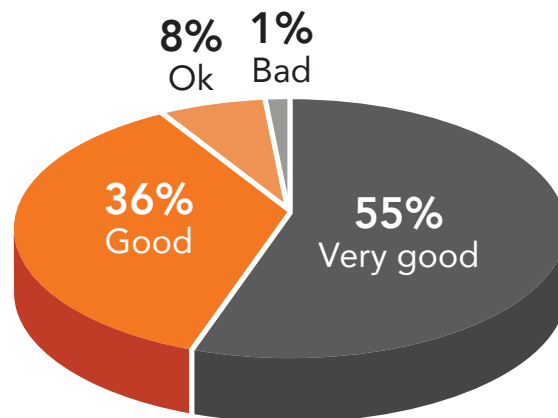

In addition to the exhibition component, Fastnex 2024 featured panel discussions addressing key challenges, trends, and best practices within the industry. These knowledge-sharing sessions provided valuable insights and facilitated dialogue among industry stakeholders.

## Next Show Planning

## Assessment of the Show

General Assessment of  
FASTNEX 2024

# CONCLUSION

Fastnex 2024 highlights its role as key enabler for India's Fastener and Fixing industry. With a strong turnout of 4756 business visitors and diverse exhibitors, the event spurred innovation and business expansion. Rich conference content empowered delegates to enhance production operations. Fastnex 2024 provided extensive networking opportunities, fostering brand awareness and growth potential. As the industry evolves, Fastnex remains committed to shaping its growth trajectory and driving industry enhancement.

As we prepare for the upcoming Fastnex 2026 trade fair, we are excited about the promising journey that lies ahead for the fastener and fixing industry. Building upon the learning of Fastnex 2024, we have anticipate an industry growth trajectory by technological advancements and collaboration. With proactive approach, we look forward to scaling the event in terms of exhibitor participation, visitor participation and more dynamic knowledge exchange program of all topics related to this industry.

We invite you to join us on this transformative journey towards excellence at Fastnex 2026, scheduled for January 2026. Take part in this growth platform that unites industry leaders, trailblazers, and stakeholders to explore fresh opportunities, exchange valuable insights, and setting-up course for progress. Make sure to mark your calendars and save the date for FASTNEX 2026 - an unmissable event poised to drive the industry forward.
