

PRESS RELEASE

Messe Stuttgart India and Fastener Manufacturers Association of India Join Forces to Present FASTNEX 2024 - An Unparalleled Platform Showcasing the Advancements in the Fastener Industry

[Ludhiana, India, 26 July 2023] - Landesmesse Stuttgart GmbH, the renowned international trade fair organizer, and Fastener Manufacturers Association of India (FMAI), a distinguished association representing the fastener manufacturing industry, are proud to announce their partnership with FASTNEX 2024. This landmark event in Ludhiana's Hotel Silver Stone solidifies their commitment to collaborate on the highly anticipated event, scheduled to take place at BIEC, Bengaluru, from 19th to 23rd January 2024.

Marking its debut, FASTNEX offers an exclusive platform to showcase cutting-edge innovations and solutions spanning the entire spectrum of the fastener industry. Encompassing both industrial applications and residential requisites, the exhibition will feature a diverse array of components, including flanges, nuts, bolts, pattern manufacturing machines, and state-of-the-art products. This showcase will encompass the broad spectrum of fasteners while spotlighting the latest technological advancements.

FASTNEX holds paramount significance for professionals within the industry, providing them with a vital avenue to exhibit products, acquire sector knowledge, cultivate partnerships, and broaden their business connections. Through its inclusive displays, insightful programs, and networking prospects, this trade fair assumes a pivotal role in propelling India's fastener and fixing sectors forward, thereby contributing substantively to the broader expansion of the manufacturing domain.

The alliance between Messe Stuttgart India and FMAI sets the stage for a dynamic and influential platform that will unite industry leaders, professionals, and innovators in the fastener domain. By fostering cooperation and leveraging each other's strengths, FASTNEX 2024 promises to be an unparalleled showcase of the latest advancements in fasteners and related technologies.

This partnership outlines a collaborative framework that aligns the shared goals, responsibilities, and commitments of both entities towards the successful organization and promotion of FASTNEX 2024. This partnership signifies a significant step towards creating a vibrant ecosystem for the fastener industry, inspiring growth, and excellence.

The event was witnessed by esteemed representatives of the fastener manufacturing industry. Present at the event were prominent figures like FMAI Chairman, Mr Mohinder Paul Jain from J .
